(1) Average (including Supervisors) cannot be computed separately for white and negro since in some counties general supervisors have supervision over both races.

(2) Includes operation expenses, insurance, and estimated cost of depreciation.

(3) Prior to 1949-50 Junior College not included in Day Schools.

(4) Per pupil cost for Florida given by the U.S. Office of Education includes in current expenses the administrative cost of the State Department of Education, and some years include the State's contribution to the teacher retirement fund, therefore does not agree with the per pupil cost given in this report on the county level.

(5) From Statistics of State School Systems, U.S. Office of Education.

(6) Original cost of school property estimated after 1936-37.
